Narcan Trainings will be conducted in November at all Millbury Public Schools for staff. The Board of Health will be working in collaboration with the Millbury Police Department. MPD will provide certified instructors to the scheduled training. We are planning community and employee prevention training/Narcan training. In the FY24 budget, the BOH was allocated \$9000.00 in OPIOID Settlement Money.

On November 7, 2023, the BOH will be at the WinWaste facility. Prior to entering the facility, members will be checking to see if the haulers are permitted and to confirm that the haulers permit stickers are affixed to their vehicles. The spot check will take place between the hours of 8AM – 12PM. Per the BOH members, a police detail is needed.

Draft tattoo regulations have been updated with comments received. Advertising will be placed starting in November. A Public Hearing will be held in January 2024 on the same date as a regular BOH meeting.

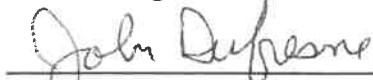

Public Health Nurse Update: Two Flu clinics will be held in November, one at the Library and the second at the Millbury Senior Center. Covid is back and the Charlton BOH got a large shipment of test kits, on error. They were kind enough to offer to area BOH Depts, we have received a good sum of kits which will be given out. Cheryl will be attending the MHOA conference and will report back information at the next meeting in November.

Department Update: Julie and Jackie are working on upcoming Narcan Trainings with the Public School staff and MPD. Bags for the Narcan training(s) will be assembled and given out to staff that has participated in the training classes. Dates will be in November. There is another Flu Clinic on 11/4 at the Library and a 2nd clinic at the Sr Center on 11/8. The Board would like to see Rubbish Hauler stickers in brighter colors going forward.
