Energy Advisory Committee

2022 MAR 25 AM 10:47

MILLBURY, MASS.

Date: August 17, 2021

Time: 11:00 AM

Meeting called to order at 11:11 AM by Chairperson, Rick Bedard meeting live at Municipal office Building

Present: Rick Bedard, Jim Dunn, Jeff Dore, Conor McCormick, and Bala Mullar,

Absent: Dan Gawrych, Pat Arp, Laurie Connors, Keith Caruso and Paul Stringham

Guests: None

Minutes: Minutes of June 23, 2021 were not available.

Grant: Update provided by Conor McCormack

1. A propane powered school bus for school department was discussed and we are looking forward to it being accepted.
 2. Prizm's proposal for a lighting project at high school . This would give a \$3.00 per watt savings, and a payback of 6.9 years
 3. LED lighting upgrade to police station.
- This totals about \$100,000.00

A motion was made by Jeff Dore and seconded by Bala Mullar to approve the three projects for the Mass Green Community Grant for 2022. Voted 5 to 0.

FYI- Nation Grid is sponsoring a fleet management opportunity to size up the feasibility of utilizing all electric vehicles. This will be a three year program. More info is needed.

Other updates: For a future meeting, Jim suggested having the Shaw School architect/Engineer for a Zoom meeting to give update on solarizing the school.

The solar farm for Landfill is on hold for now.

"Happy Birthday Jim Dunn"

Motion was made to adjourn at 12:03 PM by Jim Dunn. Seconded by Conor McCormick. So voted 5-0.

Next meeting date was not available.

Respectfully submitted, Jeffrey Dore- Clerk
